

**A meme thread on
‘We’re non-profit.....’ :**

We're a non-profit, we have 6000 people sharing 6 paid zoom IDs.

We're a non-profit, our email threads are longer than our immediate teams.

We're a non-profit, it obviously means that we can't have nice personal things.

Amir bano amir! ye garibon wali aadat kab chhodoge?

We're a non-profit, our team bonding activities are essentially group therapy.

We're a non-profit, our office WiFi is always Pratham *insert irrelevant set of numbers*.

Bahaane mat mar, Jugaad kar

Hope you had a good laugh!
