

# Kayalum Kunnum Keyrivannu

A photo story capturing scenes from the data collection phase of ASER 2023 in Kerala

By Annette Francis

When it comes to ASER, there is no alley too small...

No house too far...

By Annette Francis

No path too shaky...

We'll knock on every door,

To bring forward the stories that need to be told.

By Annette Francis

So when our report makes its way to your desk,

By Annette Francis

Remember, these are the ways we walked by...
